NOT ACCEPTABLE: Board shorts, swim shorts, football shorts and socks. Tee shirts either plain or adorned with bawdy slogans are not permitted.

LANGUAGE: Offensive language will not be tolerated either in the Club House or surrounds. Offenders may be asked to leave.

ETIQUETTE OF GOLF

The lowest marker in a group is responsible for the conduct of his/her fellow players.

No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing a ball or making a stroke.

No player should hit until the players in front are out of range.

When the play of a hole has been completed, players should immediately leave the putting green. Cards are to be marked before leaving next tee.

The player who has the honour should be allowed to play before his/her opponent or fellow competitor(s) tees the ball. Ready golf is acceptable.

Don't delay in calling the following players through when searching for a ball or after losing your place in the field because of slow play. When called, these players must be out of range before you continue.

Before leaving a bunker, a player must carefully fill up all holes made by him/her therein. Leave rake with handle placed in line with the direction of play.

Through the green a player should ensure that any turf cut or displaced by him/her is replaced at once and pressed down and that, AFTER PLAYERS HAVE HOLED OUT, any damage to the putting surface such as plug or spike marks made by the player is carefully repaired.

Be patient, tactful and pleasant, the Match Committee recommend all players be aware of Rules 1 – 4 in the 2019 edition of Rules of Golf – The Fundamentals of the Game.

Motorized buggies must not be driven past blue lines and kept 10 metres from greens or bunkers and must not be driven on tees.

Penalties can now be applied if etiquette rules are disregarded or ignored, therefore carry and use sand buckets always whilst playing or be penalized.

“Keep up with the group in front”
“Don't keep in front of the group behind”

Mick Young Smash Repairs

Ties for Medals will be decided by the Golf Australia count back system. Medals will now be played in 3 Divisions +4 -13; 14-19; 20–36.

MENS' ECLECTIC: All Members will be automatically included in the Eclectic competition that will only be conducted on Monthly Medal Days (12) from December to November. Nett scores using half current handicap will count for ball distribution at the end of the year.

Note: "COMPLETED CARDS ONLY" qualify for the eclectic competition.

EAGLES NEST: (Members Only) All eagles recorded will receive 25% of the pool of the day. Any visitors who have an eagle will receive two (2) balls or equivalent loyalty points only.

SILVER CIRCLE: (Members Only) A silver circle is any NTP 45cm or less (on par 3's). All NTP's recorded will receive 20% of the pool of the day and if there is two or more on any hole then the nearest measurement will receive the NTP ball allocation as well.

FOURSOMES (Including Mixed): Half combined stroke handicap. Players play alternatively from the tee and alternate shots for the remainder of each hole. **Penalty shots do not alter the order of play.**

CHAPMAN FOURSOMES: Half combined stroke handicap. Each player plays from the tee and plays the next shot with their own ball. The players then decide the ball to be played, and this ball is then played alternately for the remainder of the hole.

CANADIAN FOURSOMES: Half combined stroke handicap. Both play from the tee and decide on which ball is to be played. The ball is then played alternately for the remainder of the hole.

AMERICAN FOURSOMES: Half combined stroke handicap. Both players play from the tee, and then play one shot with their partner's ball. The players then decide which ball is to be played, and this ball is then played alternately for the remainder of the hole.

SPRING CUP: 36 Hole Open Single Stroke Medley event held on two Saturdays in September as per program. Reduced handicaps will apply.

STABLEFORD TEAMS EVENT: Played in a team of three or four as a single stableford. The best score of the team is then recorded on the card.

FOURBALL EVENTS: Swingers will no longer be permitted. The original pair will remain as a team while any single players will be teamed with the next single player on the time sheet (starter's responsibility). The Match Committee will collate all single scores into the four-ball format on the return of cards. If the number of single players is uneven then the last player will be teamed with the lowest marker of the previous single players.

IRISH FOURBALL: Played in a team of four in a stableford format. The two (2) best scores are recorded from holes 1 through 6; the best three (3) scores are recorded from holes 7 through 12 and the best four (4) scores are recorded from holes 13 to 18. If only 3 players are in the team then all three (3) scores are recorded for all 18 holes. All scores must have the initial of the player noted.

LONE RANGER: Single Stroke format in teams of four (4) where each player is numbered in any order 1 to 4. No. 1 player is the Lone Ranger on the 1st hole and his/her score must count with the best score of the other 3 players in the group. No. 2 player is the Lone Ranger on the 2nd hole and his/her score must count with the best score of the other 3 players in the group etc. Remember if you start on the 10th tee then the No. 2 player in the group is the Lone Ranger.

PAR BISQUE: Full handicap strokes are to be used on holes of player's choice with number of strokes used for each hole unlimited until all used. No allowance for unused shots.

AMBROSE: Played in teams of two, three or four. Handicaps are calculated by adding those of all players and dividing the total by: 4 in a two-ball event; 6 in a three-ball event; and 8 in a four-ball event. The card is marked as for a single stroke round with nett scores calculated by subtracting exact resulting handicaps. The lowest marker becomes team captain. Each

player must record his/her handicap on the scorecard and the card must be countersigned by another member of the team on completion of the game and before it is returned. On the green first player may putt out (other players putt only when it is possible to better the existing score).

Preferred lie of one card length through the green (and in bunkers) to apply for all Ambrose events.

4 Person Ambrose requires minimum 4 Tee Shots per player

3 Person Ambrose requires minimum 5 Tee Shots per player

2 Person Ambrose requires minimum 6 Tee Shots per player

CAPTAIN'S AMBROSE: Played in teams of four (4). All 4 players hit off the tee, and then the team captain (lowest marker) selects the ball to be played. All players except the owner of the selected ball play the next shot from this position. This process continues until the ball is holed (i.e. the owner of the selected ball does not play the shot). Handicaps are calculated by adding those of all players and dividing the total by 8. The card is marked as for a single stroke round with nett scores calculated by subtracting exact resulting handicaps. Each player must record his/her handicap on the scorecard and the card must be countersigned by another member of the team on completion of the game and before it is returned. Each player (except the owner of the selected ball) must putt out except when it is not possible to better the existing score.
