

## **RULE 16.1c**

### **RELIEF FROM ABNORMAL COURSE CONDITION IN BUNKER**

Free relief is allowed when the ball is in the general area and there is interference by an abnormal course condition. The nearest point of complete relief should be identified, and a ball must be dropped in and come to rest in the relief area. The relief area is one club-length from the reference point, is not nearer to the hole than the reference point and must be in the general area. When taking relief, the player must take complete relief from all interference by the abnormal course condition.

## **RULE 19.3**

### **RELIEF OPTIONS FOR BALL UNPLAYABLE IN BUNKER**

A player decides that his or her ball in a bunker is unplayable. The player has four options: (1) For one penalty stroke, the player may take stroke-and-distance relief. (2) For one penalty stroke, the player may take back-on-the-line relief in the bunker. (3) For one penalty stroke, the player may take lateral relief in the bunker. (4) For a total of two penalty strokes, the player may take back-on-the-line relief outside the bunker based on a reference line going straight back from the hole through the spot of the original ball.
