## **6. COMMITTEE MEMBERS AND VOLUNTEERS**

Remember our committee members are volunteers, under no circumstances will any committee member or volunteer be reprimanded by members or visitors. Any negative behavior will lead to action at a Board level.

**Remember your Board Members and Committee Members are members too. Please bring your issues to them AFTER they have completed their game.**

*Honesty, integrity and Courtesy: 3 words that represent the spirit in which the game of golf is played. Quote: 'The R&A'*

# **CLUB RULES OF GOLF**

## **1. STARTING TIME**

The Proshop and Match Committee have complete control of the time sheet of the day, and may alter any players, groups or starting tee before commencement of play.

All players must report to the Proshop 15 minutes before their tee time. All players are reminded of Rule 5.3a, any player arriving more than 5 minutes early or late for their tee time will face disqualification.

The maximum number of players allowed in each group is 4.

## **2. HANDICAPPING**

At the completion of each day's competition all players scores will be uploaded for handicapping, any concerns or questions about a member's handicap, please approach the Match Director or Club Professional.

Any new member who does not have a handicap must submit 3 rounds of 18 holes for submission to attain a handicap. It is preferable that these rounds be played with an existing member.

## **3. COMPETITIONS**

It is the responsibility of each player to be familiar with the Condition of Play for each competition.

To be eligible to play in any club competition the player must be a financial member and hold a current GA handicap.

A minimum of 16 players is required to constitute a competition, if there are less than 16 players, the Match Committee have the authority to

calculate any prize payouts for the competition or cancel the days competition. Less than 4 players and the competition is cancelled. All Saturday Competitions are for MEMBERS ONLY, there is no reserving of spots and any visitor who wishes to play will only be allowed subject to the availability on the morning of the competition.

#### **4. COMPLETED CARDS/MISCORE APP**

All competition cards must be in the hands of the Match Committee 15 minutes after the completion of the round. Either in the box provided or handed to a Match Committee member. Any card not so presented will be considered a NSNA (No Score Not Approved). The Match Committee will not pursue or be held responsible for any such cards. Any disputes must be in writing and submitted within 15 minutes after completion of play on the day, a complaint form is available in the Proshop.

**MISCORE APP SCORING:** It is the responsibility of the individual player or team to ensure another player in the group is correctly marking their score with the App and therefore submitting it correctly within 15 minutes after the completion of the game.

#### **5. LOCAL RULES**

An edited version of the Local Rules is printed on the back of the club scorecard.

A full version of the Local Rules is printed on the board outside the Proshop and is also downloaded to the MiScore App, under Local Rules. Temporary rules are also located outside the Proshop and on the MiScore App.

It is the responsibility of all players to be familiar with these rules before every game.

#### **6. RULES OF GOLF**

The Match Committee encourages all members to be aware of the rules. Please carry a copy of the Rule of Golf 2019 edition with you or download the R&A App from your App Store onto your device or mobile phone.

#### **7. ETIQUETTE AND CONSIDERATION FOR OTHERS**

The lowest marker in a group is responsible for the conduct of his/her fellow players.

Offensive language will not be tolerated either in the Club House or surrounds, offenders may be asked to leave. The destruction of club or course property will result in action by the Board of Directors.

Be patient, tactful and pleasant, the Match Committee recommend all players be aware of Rules 1 – 4 in the 2019 edition of Rules of Golf – The Fundamentals of the Game.

Penalties can now be applied if etiquette rules are disregarded or ignored. No one should move, talk or stand close to or directly behind the ball or the hole when a player is addressing a ball or making a stroke. No player should hit until the players in front are out of range.

**PACE OF PLAY:** Slow play is distracting. “Keep up with the group in front, don’t keep in front of the group behind”. Competition cards have a recommended time printed on each hole it shows when your group should be at the tee on each hole, 4 hours and 20 minutes is the allocated time for each game. Be aware of your position in the field and remember your position affects other players.

**READY GOLF:** Ready golf is preferred. Don’t delay if a ball is lost, remember the Rules of Golf give 3 minutes to find a ball. Not 3 minutes per player in the group. Be mindful of your place in the field. When the play of a hole has been completed, players should immediately leave the putting green. Cards are to be marked before leaving the next tee.

**INFRINGEMENTS:** It is the duty of every member to bring to the notice of the Committee any infringements of the Rules and the Etiquette of Golf.

**MOBILE PHONES:** The use of a mobile phone by a competitor whilst on the golf course during an event is distracting and inconsiderate. Please turn the volume down or the phone off. They are a measuring device, for the use of the MiScore APP or a Rule guide reference only.

## **8. SAFETY**

Calling FORE is important for the safety of all players anywhere on the course. The 15<sup>th</sup> hole is an area where it is always recommended “FORE” be called when teeing off the 15<sup>th</sup> tee.

During the week Green Staff have right of way anywhere on the course.

## **9. SUSPENSION OF PLAY**

If conditions on the course become dangerous the Proshop or Match Committee will give the following signals –

1 Long Horn Blow – Evacuate course immediately. Rule 5.7b/1

Multiple Short Horn Blows – Normal suspension. Rule 5.7b/2

All players are to report to club house. Play will resume at a time when it is deemed safe to do so.

Any players who do not wish to continue with their game must notify the Match Committee or Proshop before leaving the club.

## **10. CARE OF THE COURSE**

There are 5 areas of every golf course and it is all our responsibility to look after them all. The Rules of Golf state you are to play your ball as it lies, however it is important to remember every player has a responsibility to care for the course and return it to its original condition wherever possible.

Always leave any area of the course in good condition for the next group.

**BUNKERS:** Before leaving a bunker, a player must carefully rake up all holes made by him/her therein, these include shoe prints and divots.

Leave the rake with the handle placed in line with the direction of play.

**DIVOTS:** Through the green a player should ensure that any divots are correctly filled in with either sand or the turf cut out or displaced when making the stroke.

Always carry and use sand buckets every time you play

**PITCH MARKS ON THE GREEN:** Every player has a responsibility to carry a pitch repair tool. Any damage to the putting surface such as plugs, or spike marks made by any player **MUST** be carefully repaired.

**FLAGSTICK:** Always make sure the flagstick is correctly placed back in the hole when your group has finished the hole.

## **11. MOTORISED AND PUSH CARTS**

## **FRIDAY MUSTER**

The Friday Muster is a 9-hole social competition held on a Friday and is open to members and social players\*

The 2021 season will begin from the 22<sup>nd</sup> January and end on the 3<sup>rd</sup> December with the Friday Muster and Club Christmas Party.

The cost to play is set by Club Management.

\*Please check with Proshop for player guidelines.

## **COMPETITION INFORMATION**

**MEN'S' ECLECTIC:** All Members will be automatically included in the Eclectic competition that will only be conducted on Monthly Medal Days (12) from January to December. Competition results are Graded.

**LADIES ECLECTIC:** All single rounds only played on Thursday and Saturday, commencing on Thursday 21<sup>st</sup> January and finishing on Saturday 6<sup>th</sup> November. On the final day of this competition, half current handicap will be deducted from the total 18-hole scores to determine winners and runner-up. Competition is Graded.

**SENIOR/VETERANS ECLECTIC:** All single rounds only played on Tuesdays, commencing on 1<sup>st</sup> December 2020 and finishing on 30<sup>th</sup> November 2021. On the final day of the competition, half current handicap will be deducted from the total 18-hole score. Both Men's and Ladies competition will be ALL IN. Presentation of winners will be held at the Seniors/veterans GALA Day.

**EAGLES NEST: (Members Only)** All eagles recorded will receive 25% of the pool of the day.

**SILVER CIRCLE: (Members Only)** A silver circle is any NTP 45cm or less (on par 3's). All NTP's recorded will receive 20% of the pool of the day and if there is two or more on any hole then the nearest measurement will receive the NTP ball allocation as well.

**FOURSOMES (Including Mixed):** Half combined stroke handicap. Players play alternatively from the tee and alternate shots for the remainder of each hole. **Penalty shots do not alter the order of play.**

**CHAPMAN FOURSOMES:** Half combined stroke handicap. Each player plays from the tee and plays the next shot with their own ball. The players then decide the ball to be played, and this ball is then played alternately for the remainder of the hole.

**CANADIAN FOURSOMES:** Half combined stroke handicap. Both play from the tee and decide on which ball is to be played. The ball is then played alternately for the remainder of the hole.

**AMERICAN FOURSOMES:** Half combined stroke handicap. Both players play from the tee, and then play one shot with their partner's ball. The players then decide which ball is to be played, and this ball is then played alternately for the remainder of the hole.

**STABLEFORD TEAMS EVENT:** Played in a team of three or four as a single stableford. The best score of the team is then recorded on the card.

**FOURBALL EVENTS:** Swingers will no longer be permitted. The original pair will remain as a team while any single players will be teamed with the next single player on the time sheet (starter's responsibility). The Match Committee will collate all single scores into the four-ball format on the return of cards. If the number of single players is uneven then the last player will be teamed with the lowest marker of the previous single players.

**IRISH FOURBALL:** Played in a team of four in a stableford format. The two (2) best scores are recorded from holes 1 through 6; the best three (3) scores are recorded from holes 7 through 12 and the best four (4) scores are recorded from holes 13 to 18. If only 3 players are in the team then all three (3) scores are recorded for all 18 holes. All scores must have the initial of the player noted.

**LONE RANGER:** Single Stroke format in teams of four (4) where each player is numbered in any order 1 to 4. No. 1 player is the Lone Ranger on the 1<sup>st</sup> hole and his/her score must count with the best score of the other 3 players in the group. No. 2 player is the Lone Ranger on the 2<sup>nd</sup>

hole and his/her score must count with the best score of the other 3 players in the group etc. Remember if you start on the 10<sup>th</sup> tee then the No. 2 player in the group is the Lone Ranger.

**PAR BISQUE:** Full handicap strokes are to be used on holes of player's choice with number of strokes used for each hole unlimited until all used. No allowance for unused shots.

**AMBROSE:** Played in teams of two, three or four. Handicaps are calculated by adding those of all players and dividing the total by 4 in a two-ball event; 6 in a three-ball event; and 8 in a four-ball event. The card is marked as for a single stroke round with nett scores calculated by subtracting exact resulting handicaps. The lowest marker becomes team captain. Each player must record his/her handicap on the scorecard and the card must be countersigned by another member of the team on completion of the game and before it is returned. On the green first player may putt out (other players putt only when it is possible to better the existing score).

**Preferred lie of one club length through the green and one card length in bunkers and on green to apply for all Ambrose events.**

**4 Person Ambrose requires minimum 4 Tee Shots per player**

**3 Person Ambrose requires minimum 5 Tee Shots per player**

**2 Person Ambrose requires minimum 6 Tee Shots per player**

**CAPTAIN'S AMBROSE:** Played in teams of four (4). All 4 players hit off the tee, and then the team captain (lowest marker) selects the ball to be played. All players except the owner of the selected ball play the next shot from this position. This process continues until the ball is holed (i.e. the owner of the selected ball does not play the shot). Handicaps are calculated by adding those of all players and dividing the total by 8. The card is marked as for a single stroke round with nett scores calculated by subtracting exact resulting handicaps. Each player must record his/her handicap on the scorecard and the card must be countersigned by another member of the team on completion of the game and before it is returned. Each player (except the owner of the selected ball) must putt out except when it is not possible to better the existing score.

# SCORECARD MARKING AND SCANNING

At the club it is important all players know how to successfully mark and scan their card. Remember in a competition it is the players responsibility to provide 18 correct scores (1 for each hole) and the markers and players responsibility to add them all up correctly. Any card that is incorrect on submission could see the marker and or the players disqualification. Rule 3.3b

## FILLING OUT YOUR CARD CORRECTLY

1. Fill out the card as per normal in the Player, Result, Marker and the Result columns.
2. Place a DOT (●) in the box that corresponds to the GROSS score achieved on the hole.
3. For holes you do not score on put a DOT in the W column. This stands for wipe and will result in 0 points in Stableford or a – in Par events.
4. The Player and the Marker sign in the area provided on the front of the card.

## SCORECARD SCANNING

1. Feed your card through the scanner, score side facing out, leading with the signature end first.
2. Check the screen for any marking errors highlighted by a vacant square.
3. Check each 9 and total 18-hole scores on the kiosk match up to the same score marked on your card.
4. Once the kiosk matches your card exactly, press "Confirm Score" to finalise score submission.
5. Place card in box provided.

# THE OFFICIAL RULES OF GOLF APP

At the club the 'Players Editions of the Rules of Golf' in book form is available from the office or the Proshop, however, it is recommended players download the Official R&A Rules of Golf APP and become familiar with using it. The APP is available to download from the APP store for free onto your device or mobile phone.

This App works the same way as the book, it allows the user to quickly look up rules, either by reading the relevant rule, looking at the pictures or for quick reference watching short videos that explain some rules in a clearer way.

The App also gives golfers the chance to improve their knowledge on the rules of golf.

The App is similar to the book, sections include the 24 rules listed, the definitions needed to understand the rules better, a visual search to allow you to explore the rules in an easier way, essential videos everyone should watch and when you are feeling confident 3 levels of quizzes to challenge your knowledge.
