- WELCOME -

Dear New Member,

It is my pleasure to welcome you to Caboolture Golf Club. Founded on this site in 1964, we pride ourselves not only on our fine championship course and modern clubhouse, but also on our friendly country service that will make your experience at the club memorable no matter what you score.

While we have always been open to the public, the long-standing success of this golf course is driven by the wonderful group of people who join the club every year.

We are also determined to continually invest in our property, putting any and all profits back into the course and clubhouse.

You will quickly notice that when you become a member at Caboolture Golf Club, you become part of our golfing family.

So many of our members have been here for decades, but they know the importance of new members joining each year and always welcome new golfers with open arms.

This New Member publication includes lots of valuable information to help you enjoy your experience as a club member.

However, if there's ever something our staff can do to further assist you, please don't hesitate to ask.

Thank you for becoming a member of our club and I hope to see and meet you on our course!

Happy Golfing

Frank McDonnell
Club Chairman

For your pre-game warm up as well as practice, swing nets are located to the right of the first fairway near the members' buggy sheds. Please observe the signage as to what clubs to use.

A short walk through the western car park and across the 13th fairway bridge will bring you to another practice facility.

Here you can practice pitching, short to long irons as well as hybrids. Use of driver is not permitted here because of the potential danger to players on the 13th fairway.

MEMBER POINTS AND CLUB CASH

The Caboolture Golf Club operates a member house points system as part of its operations.

There are two components to the system:

If they are not 'spent' within that 12 month time period, they are lost. You can find out how many points you have by swiping your membership card when you sign in upstairs before entering the bar area*
 - ♦ *These points can be redeemed in the Proshop, the bar and Paddy's Bar and Grill. You simply use your membership card to make the transaction.*
- **Club Cash**
 - ♦ *Members may choose to add cash to their membership card and use that card for 'in club' transactions whenever you*
