Club Rules of Golf

STARTING TIME

The Pro-shop and Match Committee have complete control of the time sheet of the day, and may alter any players, groups or starting tee before commencement of play.
All players must report to the Pro-shop 15 minutes before their tee time. All players are reminded of Rule 5.3a, any player arriving more than 5 minutes early or late for their tee time will face disqualification. The maximum number of players allowed in each group is 4 this group number is not negotiable.

HANDICAPPING

At the completion of each day's competition all players scores will be uploaded for handicapping, any concerns, or questions about a member's handicap, please approach the Match Director or Club Professional.
Any new member who does not have a handicap must submit 3 rounds of 18 holes for submission to attain a handicap. It is preferable that these rounds be played with an existing member.

COMPETITIONS

It is the responsibility of each player to be familiar with the Condition of Play for each competition.
To be eligible to play in any club competition the player must be a financial member and hold a current G.A. handicap. A minimum of 16 players is required to constitute a competition, if there are less than 16 players, the Match Committee have the authority to calculate any prize payouts for the competition

or cancel the days competition. Less than 4 players and the competition is cancelled.

COMPLETED CARDS/MISCORE APP

All competition cards must be in the hands of the Match Committee 15 minutes after the completion of the round. Either in the box provided or handed to a Match Committee member. Any card not so presented will be considered a NSNA (No Score Not Approved). The Match Committee will not pursue or be held responsible for any such cards. Any disputes must be in writing and submitted withing 15 minutes after completion of play on the day, a complaint form is available in the Proshop.

MISCORE APP SCORING: It is the responsibility of the individual player or team to ensure another player in the group is correctly marking their score with the App and therefore submitting it correctly within 15 minutes after the completion of the game. All cards or APP submissions must be in be 5:30pm, close of competition.

LOCAL RULES

A full version of the Local Rules is printed on the board outside the Proshop and is also downloaded to the Caboolture Golf Club App & MiScore App, under Local Rules. Temporary rules are also located outside the Pro-shop.

It is the responsibility of all players to be familiar with these rules before every game. I didn't know is no excuse.

RULES OF GOLF

The Match Committee encourages all members to be aware of the rules. Please carry a copy of the Rule of Golf 2023 edition with you or download the R&A App from your App Store onto your device or mobile phone. The Rules of Golf is also available through the MiScore App - go to MENU.

ETIQUETTE AND CONSIDERATION FOR OTHERS

The lowest marker in a group is responsible for the conduct of his/her fellow players. Offensive language will not be tolerated either in the Club House or surrounds, offenders may be asked to leave. The destruction of club or course property will result in action by the Board of Directors. Be patient, tactful and pleasant, the Match Committee recommend all players be aware of Rules 1 – 4 in the 2023 edition of Rules of Golf – The Fundamentals of the Game.

Penalties can now be applied if etiquette rules are disregarded or ignored No one should move, talk, or stand close to or directly behind the ball or the hole

when a player is addressing a ball or making a stroke. No player should hit until the players in front are out of range.

PACE OF PLAY: Slow play is distracting. “Keep up with the group in front, don’t keep in front of the group behind”. Competition cards have a recommended time printed on each hole it shows when your group should be at the tee on each hole, 4 hours and 20 minutes is the allocated time for each game. Be aware of your position in the field and remember your position affects other players. Slow Play Penalties are, first a verbal warning and if it then becomes necessary for the marshal to return to that group a General Penalty (2 strokes) will be added to the round of all players involved.

READY GOLF: Ready golf is preferred. Don’t delay if a ball is lost, remember the Rules of Golf give 3 minutes to find a ball. Not 3 minutes per player in the group. Be mindful of your place in the field. When the play of a hole has been completed, players should immediately leave the putting green. Cards are to be marked before leaving the next tee.

INFRINGEMENTS: It is the duty of every member to bring to the notice of the Committee any infringements of the Rules and the Etiquette of Golf.

MOBILE PHONES: The use of a mobile phone by a competitor whilst on the golf course during an event is distracting and inconsiderate. Please turn your phone to silent. They are a measuring device, for the use of the MiScore APP or a Rule guide reference only.

SAFETY

Calling **FORE** is important for the safety of all players anywhere on the course. The 15th hole is an area where it is always recommended “fore” be called when teeing off the 15th tee. During the week Green Staff have right of way anywhere on the course.

SUSPENSION OF PLAY

LIGHTING STORMS OR POOR LIGHT: If conditions on the course become dangerous the Pro-shop or Match Committee will give the following signals – 1 Long Horn Blow – Evacuate course immediately. Rule 5.7b/1 Multiple Short Horn Blows – Normal suspension. Rule 5.7b/2 All players are to report to club house. Play will resume at a time when it is deemed safe to do so. If play cannot be resumed players who don’t finish their game will be recorded as a NSA* (No score – approved). Any players who do not wish to continue with their game must notify the Match Committee or Pro-shop before leaving the club.

EXTREME HEAT POLICY: On competition days where the outside temperature exceeds 37 degrees Celsius, Multiple Short Horn Blows will sound, this will give players the option to NSA* (No score – approved) their game due to extreme heat. Players will not be given the choice to postpone their game in the heat, they must make the decision to either play on or quit for the day. The individual player is responsible for their own actions. *NSA is not a disqualification. All players are to report to club house before leaving.

In the event the course is closed by the Match Committee due to weather events mid competition, if play is unable to be restarted, those players who cannot finish the round will be credited the competition fee. A competition will be declared for those that complete their round. If a player withdraws mid round and the course is still playable, they will not be credited the competition fee.

CARE OF THE COURSE

There are 5 areas of every golf course, and it is all our responsibility to look after them all. The Rules of Golf state you are to play your ball as it lies, however it is important to remember every player has a responsibility to care for the course and return it to its original condition wherever possible. Always leave any area of the course in good condition for the next group.

BUNKERS: Before leaving a bunker, a player must carefully rake up all holes made by him/her therein, these include shoe prints and divots. Leave the rake with the handle placed in line with the direction of play.

DIVOTS: Through the green a player should ensure that any divots are correctly filled in with either sand or the turf cut out or displaced when making the stroke. Always carry and use sand buckets every time you play

PITCH MARKS ON THE GREEN: Every player has a responsibility to carry a pitch repair tool. Any damage to the putting surface such as plugs, or spike marks made by any player MUST be carefully repaired. FLAGSTICK: Always make sure the flagstick is correctly placed back in the hole when your group has finished the hole.

MOTORISED AND PUSH CARTS

Push carts may be walked carefully across the green; however, players are asked to be mindful of their actions. Motorised carts, electric or petrol, MUST NOT be taken within 10 meters of any green or bunker, this includes the practice putting and chipping greens.

All players except the owner of the selected ball play the next shot from this position. This process continues until the ball is holed (i.e., the owner of the selected ball does not play the shot). Handicaps are calculated by adding those of all players and dividing the total by 8. The card is marked as for a single stroke round with nett scores calculated by subtracting exact resulting handicaps. Each player must

record his/her handicap on the scorecard and the card must be countersigned by another member of the team on completion of the game and before it is returned. Each player (except the owner of the selected ball) must putt out except when it is not possible to better the existing score. There are no minimum tee shots required.

GENTSOMES

Scoring

MISCORE APP

(Preferred Method of Scoring)

The MiScore app provides the benefit of 'live scoring' during competition rounds, access to viewing the 'live leaderboard' and ability to use the GPS settings of the Pin placements to gather accurate distances from ball to flag during the round.
The MiScore app also enables access to local rules, your MiScore statistics, handicap, rules of golf, social play scoring and including GPS distances.

SCORECARDS

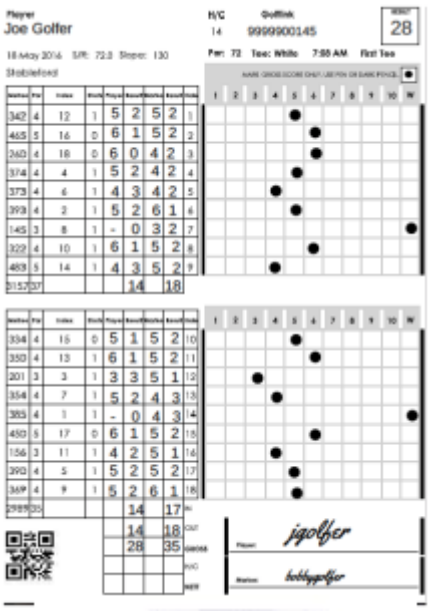
At the club it is important all players know how to successfully mark and scan their card. Remember in a competition it is the players responsibility to provide 18 correct scores (1 for each hole) and the markers and players responsibility to add them all up correctly. Any card that is incorrect on submission could see the marker and or the players disqualification. Rule 3.3b

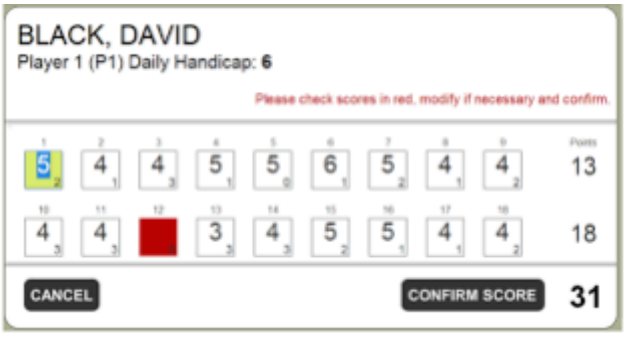
FILLING OUT YOUR CARD CORRECTLY

1. Fill out the card as per normal in the Player, Result, Marker, and the Result columns.
2. Place a DOT ( ) in the box that corresponds to the GROSS score achieved on the hole.
3. For holes you do not score on put a DOT in the W column. This stands for wipe and will result in 0 points in stableford or a – in Par events.
4. The Player and the Marker sign in the area provided on the front of the card.

SCORECARD SCANNING

1. Feed your card through the scanner, score side facing out, leading with the signature end first.
2. Check the screen for any marking errors highlighted by a vacant square.
3. Check each 9 and total 18-hole scores on the kiosk match up to the same score marked on your card.
4. Once the kiosk matches your card exactly, press “Confirm Score” to finalise score submission. 5. Place card in box provided.





THE OFFICIAL RULES OF GOLF APP

At the club the 'Players Editions of the Rules of Golf' in book form is available from the office or the proshop, however, it is recommended players download the Official R&A Rules of Golf APP and become familiar with using it.
The APP is available to download from the APP store for free onto your device or mobile phone.
This App works the same way as the book, it allows the user to quickly look up rules, either by reading the relevant rule, looking at the pictures or for quick reference watching short videos that explain some rules in a clearer way.
The App also gives golfers the chance to improve their knowledge on the rules of golf.
The App is like the book, sections include the 24 rules listed, the definitions needed to understand the rules better, a visual search to allow you to explore the rules in an easier way, essential videos everyone should watch and when you are feeling confident 3 levels of quizzes to challenge your knowledge.
The Rules of Golf is also available on the MiScore App through Menu in the top right corner of the screen.
